Chipping Norton Neighbourhood Plan

Statement by West Oxfordshire District Council pursuant to the Neighbourhood Planning (Referendums) Regulations 2012

This statement is produced and published as required by regulation 4(3)(b)(v) of the Neighbourhood Planning (Referendums) Regulations 2012.

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area.

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or parish councils
- A neighbourhood forum (a group of at least 21 people in areas without town or parish councils)

In Chipping Norton, the boundary of the neighbourhood area was determined by West Oxfordshire District Council and is identical to the area of the town of Chipping Norton.

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. Normally, planning is the responsibility of the local planning authority.

In this case, the Chipping Norton Neighbourhood Plan was prepared by Chipping Norton Town Council as the relevant ‘qualifying body’.

In England, planning applications are determined by local planning authorities in accordance with the development plan.

A development plan is a set of documents that set out the policies for the development and use of land across the entire local authority area.

If more people vote ‘yes’ than ‘no’ in the referendum taking place on Thursday 3 March 2016, then West Oxfordshire District Council will use the Chipping Norton Neighbourhood Plan to help it decide planning applications in Chipping Norton.

The Neighbourhood Plan will then become part of the Development Plan. In West Oxfordshire District Council’s area the current development plan consists of the West Oxfordshire Local Plan 2011 (adopted June 2006).

If more people vote ‘no’ than ‘yes’, then planning applications will be decided without using the Neighbourhood Plan as part of the Development Plan for the local area.
