Dear Ms Hughes

## **Filming of the West Oxfordshire Local Plan Examination Hearings**

Now that the Stage 2 and Stage 3 hearing sessions for the West Oxfordshire Local Plan Examination are complete, I would like to thank your crew for filming the proceedings most unobtrusively and without causing any significant disruption to the hearings.

I am sure you will know that prior to the hearings Claire Cahill and I discussed arrangements for the filming and she gave me her assurance that anyone present at the hearings who did not wish to be seen or heard in the documentary, as it is to be aired, would not appear.

You will also be aware that at the start of each hearing session I explained that this was the basis on which the filming was being undertaken and I understand that a number of people have registered their wish not to appear/be heard in the programme.

Now the hearings are complete, and in order to reassure all those who have requested not to appear/be heard in the documentary, I would be grateful if you write to me to formally confirm that their wishes will be respected. I would then publish this letter and your reply on the Examination website which is the main source of information for people involved in the Examination.

I look forward to hearing from you.

Yours sincerely

*Malcolm Rivett*
