Dear Ms. Harvey,

Eynsham Neighbourhood Development Plan Consultation

I am writing on behalf of the Eynsham Society to endorse the Eynsham Neighbourhood Plan in its entirety. In particular we support the choices for Local Green Spaces, especially LGS9.

This small area of land was actively maintained by the Society as a nature reserve until escalating public liability insurance costs made that infeasible. However, it continues to provide a haven for wildlife and a valuable green corridor out of the village. The neighbouring public footpath was designated at the instigation of one of our founder members in order to create a new circular walk which is much used and valued by Eynsham residents, and we will strongly oppose any changes which would result in the loss of this amenity.

Yours sincerely,
