*Dear Ms Harvey and team,*

*re: Eynsham Neighbourhood Plan Consultation - GreenTEA's response.*

*Transition Eynsham Area would like to record our general approval of and support for the Eynsham Neighbourhood Plan.*

*We would like to pay tribute to the members of 'Eynsham Futures' for the incredible amount of hard work they put into this plan and for the very professional result.*

*We feel that, if their recommendations are adhered to, then Eynsham will indeed be "an even more attractive community in which to live and work."*

*With many thanks for your kind cooperation.*

*Yours sincerely,*

*Rosalind Kent Hon.Sec. Transition Eynsham Area (GreenTEA)*
