## TRANSPORT

I cannot understand the need for a park and ride and who would ever use it. I wonder what research has been carried out. The issue is the A40 and whoever thought the idea of traffic lights at Eynsham and Cassington was a good idea failed. Ever since queues of traffic have been a problem. Roundabouts would have been a better solution.

I totally object to the Park and Ride as it will be a white elephant and under used and waste of money which would be better spent on the A40.

## Housing Development

Please use the space below to make comments on this part of the Plan.

The Garden Village proposal will be a separate Village which I have no objection to so long as the Garden Village has its OWN infrastructure, Doctors, Dentists, shops, schools, community facility. Eynsham Village does not have the capacity to take on that responsibility. Eynsham at the moment cannot cope with the expansion already within the village let alone others under construction and planned. Please see sense in this expansion and the effect on the Village.
