Policy ENPI2 Local Green Spaces LGS 9 Old railway line - beside footpath 206/30

Please use the space below to make comments on this part of the Plan.

I understand that the WODC at their Lowlands Area Planning Sub Committee on 11th Sep. 2017 proposed the diversion of the public footpath 206/30 which runs along the old railway line; LGS 9 in the Eynsham Neighbourhood Plan. This would free the old railway line for possible development.

I am concerned that this surviving special wildlife habitat with its rare wildflower, so much enjoyed by walkers from the village and beyond, would be at risk whatever developments are proposed.

I am therefore very much against the proposed diversion and ask the Planning Committee to reject this proposal. I strongly support the Local Green Space designation.

Please use a separate form for each representation.
