The whole plan

Please use the space below to make comments on this part of the Plan.

I commented in detail on the Eynsham Neighbourhood Plan during its development and participated in several very good consultation events. I fully support the Neighbourhood Plan as I think it reflects the concerns of the local community and aims to accommodate appropriate development of a scale and type which answers our needs and does not destroy the qualities of the village and the community cohesion which we value so highly.

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Development Plan Proposal:
