All

Please use the space below to make comments on this part of the Plan.

The Eynsham Neighbourhood Plan has been developed with painstaking care and considerable consultation with residents and numerous events. I fully support its findings and am distressed to find that West Oxon has taken such little notice of the expert opinion, research, and local views incorporated in the plan.

Eynsham's special character and success as a village is in part to do with its physical and environmental qualities.. but also the sense of cohesion and inclusion that is reflected in the plan.

These are seriously threatened by The overdevelopment proposed in the West Oxon Local Plan

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Development Plan Proposal:

Yes
