Due to the COVID-19 pandemic, garden waste collections will be suspended for a longer period this year. This suspension will allow your collection crews to spend extra time with their families over the Christmas break as a thank you for all their hard work during the pandemic.

Visit our website or contact us to:

- **Register** for garden waste collections (£30 per bin, per year)
- **Report** a missed collection (within two working days)
- **Request** a food waste caddy
- **Replace** a damaged or broken bin
- **Raise a question** about recycling

Confused by plastics?
Please ensure you’re putting the correct plastic items in your blue-lidded bin to avoid contaminating lorry loads of recycling:

Yes please *

These should go in your recycling bin:

- Plastic bottles: any colour drink bottles and cleaning products (shampoo, shower gel, bleach bottles etc).
- Plastic pots: yoghurt / medicine pots etc.
- Plastic tubs and punnets: ice cream and butter tubs and fruit / vegetable punnets etc.
- Plastic food trays: meat, ready meal, biscuit trays etc. (Please remove any plastic film to put in your rubbish bin).
