

West Oxfordshire Local Development Scheme – Minor Addendum (September 2020)

The current West Oxfordshire Local Development Scheme (LDS) published in May 2020, includes reference to the preparation of a Supplementary Planning Document (SPD) in the form of an Infrastructure Delivery Strategy for Woodstock, building on work previously commissioned by the Blenheim Estate through Community First Oxfordshire (CFO) to identify the infrastructure improvements that are needed to support planned growth at Woodstock and how these can be funded and delivered in a coordinated and efficient manner.

The preparation of the Woodstock Infrastructure Delivery Strategy SPD was discussed at a meeting of the Council's Cabinet held on 23 September 2020 and it was agreed that in order to avoid unnecessary duplication of work and consultation fatigue, the Council will no longer seek to prepare the SPD but instead will look to reflect the findings of the Blenheim Estate/CFO work through an update of the West Oxfordshire Infrastructure Delivery Plan (2016).
