

WEST OXFORDSHIRE DISTRICT COUNCIL
(OFF STREET PARKING PLACES) NO.1 ORDER 2021
VARIATION 2 ORDER 2026

Statement of Reason

West Oxfordshire District Council ("the Council") regulates off-street parking places in the West Oxfordshire District. The Council proposes to make the above Variation Order under the Road Traffic Regulation Act 1984, the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996 and all other enabling powers.

The proposals incorporated in the draft Variation Order, and the reasons are set out below:

The Proposal and Reasons

To vary the schedule to the Order to add the Kilkenny car park to the West Oxfordshire Parking Order to enable the council to regulate and manage the use.

The Council wishes to regulate the car park to bring it in line with other public car parks to be patrolled and regulated under the parking order.

Local residents have raised concerns about nuisance regarding instances of camping, littering, barbecues, campervans and sleeping overnight.

It is proposed to have a 6-hour maximum stay in any 12-hour period and to erect signs to say no camping or sleeping is permitted in the car park.
