	The Basic Conditions Statement notes that the Plan has had regard to the fundamental rights and freedoms under the European Convention on Human Rights and complies with the Human Rights Act. Indeed the Independent Examiner concluded that there is nothing in the Plan that would lead to a conclusion that there has been any breach. In accordance with this conclusion, the District Council's assessment of the plan, including its preparation, concluded that it does not breach nor is incompatible with the relevant legislation. The Decision Statement confirms that Brize Norton Neighbourhood Plan can now be made.
